Faculty Development Programme for Bank Staff Training College Faculty: Building Knowledge, Skills, and Attitude for Conducting Effective Training

Background

The Reserve Bank of India has recently published the report by the 'Committee on Capacity Building' highlighting the importance of building skills and competencies of bank officials. The training systems in the banks need to play a pivotal role in ensuring appropriate knowledge dissemination and capacity building. In this respect, the role played by the faculty in the staff training colleges is very crucial. The faculty should be equipped to offer effective training programmes with the help of suitable training design and appropriate pedagogy.

The captioned programme will focus on training competencies and has been specially designed for faculty members in Staff Training Colleges and Regional Training Centres of banks. The programme will enable faculty members to develop mastery over training methods, training need analysis, classroom management, lecture planning, case teaching, etc.
