# Bank Executive Programme (BEP) for Senior Executives Jointly with IDRBT & IIBF

## Genesis of the BEP

The Indian Banking sector is in a new phase of growth. Emerging challenges and opportunities in the banking business have forced the banks to identify various strategies to transform and adapt quickly to the new realities. An important strategy to facilitate this transformation is empowerment of the middle and senior management with the skill-sets necessary for handling modern banking challenges and opportunities. Further, Top executives and Chief of HRD of banks have recommended to organise Executive Development Programmes for senior bank executives who are in Scale IV and V to prepare them to face challenges and explore business opportunities. Keeping this in view, the Bank Executive Programme has been designed and announced by NIBM jointly with IDRBT and IIBF. This programme aims at equipping senior bank executives, with appropriate skill sets to succeed in the emerging competitive global market place. The present BEP is a residential programme which is being organised at the NIBM Campus.

## Methodology

In addition to classroom lectures, case studies and exercises will be used in the programme. Besides this, group presentations and panel discussions will be an integral part of the programme methodology so as to ensure active participation of the participants.
