Programme on Leadership Skills Development and Control of Forex Business for Executives of Banks

Authorised dealer banks being a market participants have pivotal role for catering to the trade finance and forex needs of the clients. India has attained full convertibility on current account and compliance with the article VIII of IMF. Significant capital account liberalization has already taken place to enable AD banks to contemplate the transactions under automatic route. However, the regulatory framework provided under FEMA 1999 task a greater responsibility on AD banks for carrying out the forex transactions in prescribed framework. The leaders of the forex department and corporate branches have to observe the RBI guidelines, bank's internal stipulations while ensuring customer delight and growth of forex business.

The recent happenings in commercial banks in the forex arena definitely call for the skill and ability of the leader to control the operations under their command while permitting the eligible transactions. They have to keep their eyes and ears open all the while when juniors are contemplating the transactions and monitor the flow smoothly. Knowledge, skill, out of the box thinking, sensing the irregularity in time will be the major attributes of risk management.

The institute is offering this programme to help leaders/officers/executives to understand the complexities and preventive measures for the forex exchange business, approval under FEMA, internal doctrine of management, effective reporting system and risk management techniques.

Pedagogy

Apart from lectures, the programme will extensively use focused case studies, exercises and experience sharing to impart conceptual and participatory learning to executives.

Objectives

- To provide the basic product knowledge its procedural requirement, applicable FEMA guidelines on forex transactions in Current account and Capital account segments.
- To develop a reporting system where the control of transactions is with the branch/department leader by providing tools, check points and data submission.
- To provide effective leadership for the forex branch/department.
