

International Programme on Inclusive Banking and Finance generates very encouraging response

The Government of India sponsored ITEC Training programme on Inclusive Banking and Finance was held at the NIBM Campus during November 11-23, 2019. The programme was attended by 30 participants from 28 different African and Central Asia countries, viz. South Sudan, Mozambique, Ethiopia, Tanzania, Zambia, Madagascar, Morocco, Qatar, Uzbekistan, Kyrgyzstan, etc. As Inclusive

Banking is the buzz word in the current banking scenario, the training programme was well received by the participants. There was an overwhelming response to the programme which was first of its kind conducted at NIBM. In all, there were 68 application received, against 30 participants to be accommodated in any such programme. Therefore, the Government has allowed NIBM to repeat the said programme to accommodate the remaining participants. During the Valedictory and interactive Session presided over by Dr K L Dhingra, Director, the participants shared their views with Dr Dhingra and highly appreciated the course content, faculty, stay, food, hospitality, and also the beauty and greenery in the campus.
