NIBM has record number of overseas participation last fiscal

TNN | Apr 4, 2019, 05:42 PM IST

PUNE: The National Institute of Banking Management saw a 145 per cent increase in international participants over a period of five year. The institute had seen 433 international participants in the financial year 2014-15 while it received 1064 international participants for its various training courses in 2018-19.

According to officials, the institute conducted 192 training programmes in the last fiscal which were attended by 3,922 participants. "Of the 3,922 participants, over 27 per cent of the participants were from overseas. These participants represented 153 Central Banks, commercial banks, financial institutions, government departments and universities from 51 countries including those from SAARC, Middle East, South East Asia, East

Asia, West Africa, East Africa, Commonwealth of Independent States and Central American countries," the official explained.

The official added that NIBM is among the institutions approved by the Ministry of External Affairs, Government of India to conduct training courses under the Ministry's ITEC programmes. "The institute conducted courses on subjects including international programme on role and functioning of Central Bank, international programme on corporate governance and leadership for top executives from the financial system, international programme in banking and finance with focus on credit and international trade financing and international programme on asset-liability management," the official explained.
