

NIBM records highest international participation

EXPRESS NEWS SERVICE

PUNE, MAY 30

PUNE-BASED National Institute of Bank Management (NIBM) has recorded the highest-ever participation by international participants for training in 2017-18. A press release issued by the institute stated that, last year, NIBM had seen 900 such participants — mainly from SAARC countries, the Middle East and Southeast Asia.

Bangladesh has the highest number — 282 — of bank officials who had undertaken training at NIBM. Some of the programmes such as International Programme on Asset-Liability Management and International Programme in Banking and Finance with Focus on Risk Management received 34 and 38 participants, respectively.

The other international programme in Bank Financial

Management with focus on Risk Management; Basel II and III Accords was attended by 33 participants.

Dr K L Dhingra, director, NIBM, inaugurated the training programmes. Some of the programmes are supported by the Ministry of External Affairs under its Indian Technical and Economic Cooperation, Special Commonwealth Assistance for Africa Programme and the Colombo Plan.
